## Verse 1:

[C] Well, baby, there you [Fm6] stand  
[C/G] with your little head down in your [F]hand. [G7]  
[F]Oh my God, you [Am7] can't believe its [Dm] happening again. [Am7]  
Your [F]baby's gone and you're [Am7] all alone and it [Dm] looks  
like the [F]end. [G7]

## Verse 2:

[C] And you're back out on the [Fm6] street  
[C/G] and you're tryin' to [F]remember. [G7]  
[F] How do you start it over? [Am7] You [Dm] don't know if you  
can. [Am7]  
You [F] don't care much for a [Am7] stranger's touch but you [Dm]  
can't hold your [G7] man.

## Chorus:

[Am] You never thought you'd [E/G#] be alone  
[G]this far downs the [D/F#] line  
and [F] I know what's been on your [Em] mind,  
you're a[Dm]fraid it's all been [F]was[G7]ted [C]time.

## Bridge:

[Bm7] The autumn [E7]leaves have got you [Am]thinking  
[Bm7] about the [E7]first time that you [Am]fell.  
[Bm7] You didn't [E7]love the bo[Am]y too much[C/G], no no,  
you just[F] lov[C/G]ed the boy [Fm6]too well\_[F]\_\_\_ [G]er-[G7]well

## Verse 3:

[C] So you live from day to [Fm6] day  
[C/G] and you dream about [F] tomorrow, [G7] oh.  
[F] And the hours go by like [Am7] minutes and the [Dm] shadows  
come to stay. [Am7]  
So ya [F] take a little [Am7] something to [Dm] make them go [G7]  
away.

## Chorus:

[Am] And I could have done so [E/G#] many things, baby,  
[G] if I could only stop my [D/F#] mind  
from [F] wond'rin' what I left be[Em]hind

---

and from [Dm] worryin' bout this [G7] wasted [C] time.

[Ab]Ooh, another love has come and [C]gone.

[Ab]Ooh, and the years keep rushing [C]on.

I[F]remember what you told me[Am7]before you[Dm]went out on your own[Am7]

sometimes to [F] keep it together[Am7]we got to [Dm]leave it alone.  
[G7]

Chorus:

So [Am] you can get on with [E/G#] your search, baby,

[G] and I can get on with [D/F#] mine.

And [F] maybe someday we will [Em] find

that it [Dm]wasn't really [F]was[G7]ted [C]time.
