His Latest Flame - Elvis Presley

                  F  Dm                  F  Dm  
A very old friend came by today  
          F                  Dm  
'Cos he was telling everyone in town  
F                  Dm  
About the love that he just found  
          Bb  C7          Dm  
And Marie's the name of his latest flame

Chorus :

C7          Bb          C7  Bb  
Though I smiled the tears inside were a-burning  
          C7          Bb          C7  Bb  
I wished him luck and then he said goodbye  
C7  Bb          C7  Bb  
He was gone but still his words kept returning  
          C7  Bb  F  
What else was there for me to do but cry

Other verses :

He talked and talked and I heard him say  
That she had the longest blackest hair  
The prettiest green eyes anywhere  
And Marie's the name of his latest flame

Would you believe that yesterday  
This girl was in my arms and swore to me  
She'd be mine eternally  
And Marie's the name of his latest flame
