1st verse:

```

D          D
Oooh Lord, my God
D          A          G
Why I in awesome wonder
G          A
Considered all
      A          A          D
The world thy hands have made
      D          D
I see the stars
      D          A          G
I hear the rolling thunder
      G          A
Thy power throughout
      G          A          D
The universe displayed

```

Chorus:

```

      D          D
Then sings my soul
A          G          D
My savior God to thee
      D          A
How great thou art
      A          D
How great thou art
      D          D
Then sings my soul
A          G          D
My savior God to thee
      D          Em
How great thou art
      A          D
How great thou art

```

(Repeat Intro)
