

**elvis presley - I Want To Be Free**

[D] [A] [D]  
1. There's no joy in my heart, only sorrow,

[D] [A] [D]  
And I'm as sad as a man can be.

[D] [A] [Bm] [G]  
I sit alone in the darkness of my lonely room,

[D] [A] [D]  
And this room is a prison to me.

CHORUS:

[D] [A] [D]  
I look out my window, and what do I see?

[A] [D]  
I see a bird, way up in a tree.

[D] [Bm] [A] [G] [D]  
I wanna be free, free..free-ee-ee-ee.

[D] [A] [D]  
I wanna be free, like the bird in the tree.

[D] [A] [D]  
2. What good are my eyes, they can't see you.

[D] [A] [D]  
And my arms, they can't hold you so tight.

[D] [Bm]  
I have two lips yearning,

[G] [A]  
but they're no good to me,

[A] [D] [G] [D]  
'Cause I know I can't kiss you tonight.

CHORUS:
