                 G                          G7          C
Treat me like a fool, treat me mean and cruel, but love me.

Break my faithful heart, tear it all apart, but  love me.
     G                       G7      C
If you ever go, darling, I'll be, oh, so lonely.
  D7                           G      C      G
I'll be sad and blue crying over you, dear, only.

Tacet           C              G
