

elvis presley - My Way

My Way - Elvis Presley

Tabbed by JerseyRock!!! ENJOY!!!

This is the Final C chord

```

          C barred
E |-----3-----|
B |-----5-----|
G |-----5-----|
D |-----5-----|
A |-----3-----|
E |-----|

```

```

          C              Em
And now, the end is near
          C7              A7
And so I face the final curtain
          Dm              F
My friend, I'll say it clear
          Dm              C
I'll state my case, of which I'm certain.

```

```

          C              C7
I've lived a life that's full
          F              Dm
I've traveled each and ev'ry highway
          C              G
And more, much more than this
          F C
I did it my way.

```

```

          C              Em
Regrets, I've had a few
          C7              A7
But then again, too few to mention
          Dm              F
I did what I had to do
          Dm              C
And saw it through without exemption

```

```

          C              C7
I planned each charted course
          F              Dm
Each careful step along the byway
          C              G
But more, much more than this
          F C
I did it my way

```

Yes, there were times, I'm sure you knew
When I bit off more than I could chew.
But through it all, when there was doubt
I ate it up and spit it out
I faced it all and I stood tall
And did it my way.

I've loved, I've laughed and cried
I've had my fill; my share of losing
And now, as tears subside
I find it all so amusing
To think I did all that
And may I say - not in a shy way
oh no, oh no not me
I did it my way

For what is a man, what has he got
If not himself, then he has naught
To say the things he truly feels
And not the words of one who kneels
The record shows I took the blows
And did it my way
The record shows I took the blows
And did it my way....
