WEAR MY RING AROUND YOUR NECK song by Bert Carroll & Russell Moody

(t) denotes tacet

(t) Wont you wear my [C] ring, up around [G7] your [C] neck.  
To tell the world, I'm yours by [G7] heck.  
Let them [C] see, [C7] your love for [F] me,  
And let them [C] see by the [G7] ring (t) around your [C] neck. [F]  
[C]  
(t) Wont you wear my [C] ring, up around [G7] your [C] neck  
To tell the world, I'm yours by [G7] heck.  
Let them [C] know, [C7] I love you [F] so,  
And let them [C] know by the [G7] ring (t) around your [C] neck.[C]  
[F7] [C7]  
They [F7] say that going steady is [C] not the proper [C7] thing.  
They [F7] say that we're too young to know the [C] meaning of the  
[C7] ring.  
I [F7] only know I love you and [C] that you love me too.  
So [D7] darling this is what I ask of [G7] you. [D7-5] [G7]  
(t) Wont you wear my [C] ring..... etc
