

eric clapton - Anyday

From: Harlan L Thompson <harlant[at]uhunix.uhcc.Hawaii.Edu>

ANYDAY- Derek and the Dominos

D D/C G Bb
 Heard you talking and I thought I heard you say
 D D/C G Bb
 Yeah, "Please leave me alone
 D D/C G Bb
 Nothing in this world can make me stay
 D D/C G Bb C G7 D
 I'd rather go back, I'd rather go back home"

CHORUS:

G C G7 D G C G7 D
 But if you believe in me
 G C G7 D G C G7 D
 Like I believe in you
 G C G7 D G C G7 D
 We could have a love so true
 G C G7 D
 We would go on endlessly
 G C G C Am7
 And I know anyday, anyday, I will see you smile
 G C G C Am7 D7
 Any way, any way, (if) only for a little while

Well someday baby, I know you're gonna need me
 When this whole world has got you down
 I'll be right here, so woman call me
 And I'll never ever let you down ...CHORUS

Break the glass and twist the knife into yourself
 You've got to be a fool to understand
 To bring your woman back home
 After she's left you for another
 You've got to be a, you've got to be a man ...CHORUS
