

eric clapton - Cant Find My Way Home

From: jrossie[at]leopard.cs.indiana.edu (Jon Rossie)

Let's see -- I've been playing this for years. Great tune. You need to really keep the bass line going. Play the verse in open position. I go up the neck for the refrain, working my way back down and ending in open position again. There are some nice little runs. If I get a chance, I'll TAB some of them. This should all be in the TAB for the "Crossroads" compilation, but I haven't laid out the bucks for that yet.

I use dots to mark beats.

Verse:

D... D/C... D/B... D/A... F... C...D..C D...

Refrain:

G... .. A... .. D... .. Em... ..
weary and I just ain't go-t the time

G... D/F#. Em. D... ..
can't find my way home.
