Let's see -- I've been playing this for years. Great tune. You

---

need  
to really keep the bass line going. Play the verse in open  
position.  
I go up the neck for the refrain, working my way back down and  
ending  
in open position again. There are some nice little runs. If I get  
a  
chance, I'll TAB some of them. This should all be in the TAB for  
the  
"Crossroads" compilation, but I haven't laid out the bucks for that  
yet.

I use dots to mark beats.

Verse:

D... D/C... D/B... D/A... F... C...D..C D...

Refrain:

G... .. A... .. D... .. Em... ..  
weary and I just ain't go-t the time

G... D/F#. Em. D... ..  
can't find my way home.
