Here it is by popular demand. This is the main part played by the
 master
 himself. There is a second part too, but you can get that out of
 this
 part. This song is great! I hope you have fun with it too.

1. What'll you do when you get lonely, No one waiting by your side?
2. Try to give you consolation, Your old man he let you down.
3. Make the best of the situation, before I finally go insane.

You've been runnin' and hidin' too long. You know it's just your foolish.
 Like a fool, I fell in love with you. You turned my whole world upside.
 Please don't say we'll never find a way. Tell me all my love's in vain.
