

## eric clapton - Lonely Stranger

Song: LONELY STRANGER

Artist: Eric Clapton

E A/E Am/E E (bis)  
(Intro)

E A/E C#m F#  
I must be invisible ;  
G#m F# B B/A  
No one knows me.

E A/E C#m F#  
I have crawled down dead-end streets  
D A E A/E Am/E E E A/E Am/E E  
On my hands and knees.

E A/E C#m F#  
I was born with a ragin' thirst,  
G#m F# B B/A  
A hunger to be free,  
E A/E C#m F#  
But I've learned through the years.  
D A E A/E Am/E E E A/E Am/E E  
Don't encourage me.

Chorus :

E F# B B/A C#m/G#  
'Cause I'm a lonely stranger here,  
A G#7 C#m E7  
Well beyond my day.  
A F#/A# E/B C#m  
And I don't know what's goin' on,  
F#m B7 E A/E Am/E E E A/E Am/E E  
So I'll be on my way.

E A/E C#m F#  
When I walk, stay behind ;  
G#m F# B B/A  
Don't get close to me,  
E A/E C#m F#  
'Cause it's sure to end in tears,  
D A E A/E Am/E E E A/E Am/E E  
So just let me be.

E A/E C#m F#  
Some will say that I'm no good ;  
G#m F# B B/A  
Maybe I agree.  
E A/E C#m F#  
Take a look then walk away.  
D A E A/E Am/E E E A/E Am/E E  
That's all right with me.

Chorus
