

eric clapton - Rollin And Tumblin

From: davies[at]ils.nwu.edu (Brian Davies)

A while back, someone asked for the lyrics for the Clapton Unplugged arrangement of this song. And, since I don't remember who it was, I figured I'd just have to share it with the group.

To add some guitar content to the post:

The easy way to play the main riff is to alternate between G played in E form on the 3rd fret (355433), and the same thing without the E form -- 333333. (Technically, a Bb6/G&C, I guess.)

The riff goes something like:

G	G	Bb		G	G	G	Bb	G
1	2	3	4	1	2	3	4	

ROLLIN' & TUMBLIN' by McKinley Morganfield

Well, I woke up this morning; I best get rolling on.

Well, come here baby, sit down on daddy's knee.
Well, come here baby, sit down on daddy's knee.
I want to tell you about the way they treated me.

Well, I rolled and I tumbled, cried the whole night long.
Well, I rolled and I tumbled, cried the whole night long.
When I woke up this morning, all I had was gone.
