Intro: Em Bm G C C G D Em

Nothing looks Em Bm G C quiet the same C G D Em
 I see people and places Em Bm G C C G D Em in a new light again
 There's a grace ascendent to a broken sky
Em Bm G C Am
 Now I know, there's a reason why
 C D
 I feel so alive

Em C G D
 Cause tonight, there's a new love in town
 Em C G D
 Waking emotion, I thought I'd never find
Em D C#m Am
 Yes tonight how you turned it around
Em Bm G C
 I wanna tell the whole world
C G D Em
 There's a new love in town

It's been a strange kind of low
 Always held my head up high
 Little did I know
 That my rose-tinted reality
 Would soon fall apart
 Just by holding you gently
 There's a hope in my heart
 I'm out of the dark

So tonight there's a new love in town
 Waking emotion, I thought I'd never find
 Yes tonight, how you turn it around
 I want to tell the whole world
 There's a new love in town

D C Am
 And everyone I met has made me what I am today
 D Am G
 And every choice I made has led me here today
 D Am
 And every time I see your face
 G
 I find my way
