

everly brothers - All I Want

From: holywood[at]acyl.digex.net (The Man with the Tan =))
Subject: CRD: All I Want (Santa Monica Boulevard) by Cheryl Crow

Verse is: two measures of Emaj and one measure of C/G
then one measure of Dmaj
(Repeat as necessary)

Chorus is: same as above

 E E
All I want to do is have some fun

 C/G D
I've got a feeling I'm not the only one

 E E
All I want to do is have some fun

 C/G D E
While the sun comes up over Santa Monica Boulevard

Bridge: one half measure of A#7 followed by one
and one half measure of A7

Now if someone could give us some lyrics and correct any and all major or minor flaws I'd appreciate it. If someone could email me the lyrics I'd really appreciate it, and if there seems to be general interest you could post them as well. Any corrections can be posted to the group as to be honest with you this easy version will suffice for me for awhile.
Thanks man #8)

Bob
