

## everly brothers - Cathy's Clown

CATHY'S CLOWN: THE EVERLY BROTHERS (in: G) (Don & Phil Everly) 4/4 - 118

There is already a version in the original 'G' key, so I supply you this version in 'My' 5 tones lower in 'D'.  
If you want to play in the original key, place a capo on the 5th fret.

The main rhythm guitar play a down beat on the 2nd and 4th count. When you play on your own, you can substitute the important drum beat with a down/up on you guitar, in a measure of 4-counts, like this:

```
//  /\//
|D  A  |

+INTRO:
