C G D G  
 They say that you have found a love  
 C D G  
 And maybe it's strong enough  
 G Em C  
 But should you ever change your mind  
 G D G  
 Let me be the first in line  
 G D G  
 For I would give my heart to you  
 C D G  
 With a love pure and true  
 Em C  
 And it would last till the end of time  
 G D G  
 So let me be the first in line  
 C G  
 If your new love should make you blue  
 C D  
 And you want somebody who  
 G Em C  
 Will treat you tender treat you kind  
 G D G  
 Let me be the first in line

SOLO

G D G  
 If someday he sets you free  
 G C D G  
 I pray that you will consider me  
 G Em C  
 I would you all that is mine  
 G D G  
 Just let me be the first in line  
 D G  
 Let me be the first in line
