This is a great song off of the new album "The Colour and the shape"

I've seen this performed live and it's amazing.

Foo Fighters- "A New Way Home"

Intro-

(A) (quick Strumming)

```
e-----0-0-0-0-----
b----2-2-2-2-----
g----2-2-2-2--(14 times)----- X 2
d----2-2-2-2-----4-/-7-/-9-/-11/-12-----
a----0-0-0-0-----
E-----2-/-5-/-7-/-9-/-10-----
```

(A) (F#)
 Have you found your way around, the down and out,
 (G) (D) (C)
 I know it must seem long, so long,
 (A) (F#)
 I'm still tryin' to keep this time, from runnin' out,
 (G) (D) (C)
 Head down, always moving on and on and on.....

(Repeat intro)

(A) (F#)
 I never heard this warning, another early morning,
 (G) (D) (C)
 wakes me, breaks me into.....
 (A) (F#)
 If you can manage me well, I'll try to manage you,
 (G) (D) (C)
 but lately, it's all I ever do.....

CHORUS-

(A) (F) (D) (G) (A)(F)
 I Felt like this on my way home,
 (D)(A) (F) (D) (G)
 I'm not scared, I pass...boats and the kingdome....
 (A)(F)
 I'm not scared....

BRIDGE-

(A) (E)
 I'll never tell you these secrets I'm holding,
 (A) (E) (F#)
 (D)
 I know these things must bore you, I can't find another way....
 (A) (E)

I'll never tell you these secrets I'm holding,
(A) (E) (F#) (G)
I love this leash that holds me, when I try to run away.....

(PAUSE)

Repeat the chorus over and over with a steady build
up....gradually

increasing speed with every time. Listen to the album for exact
number

of times he repeats chorus at the end. I'll guess around 10 to 12.
Also

to the album for exact rhythm of chords and how they correspond to
the

lyrics. There is a lead guitar appreciating the chords in a clean
tone

on top of the straight rhythm.
