C
C7

Big Me to get around it , I can't stand the proof
E F C

G

If we can get around it , I know that it's true

Other Bit:

C G F C
But it's you.....I fell in to

You should be able to sort it out from this- it's not a very

complex
song.The
final chord he strikes is a C7. I really don't have a clue about
any of
the
lyrics so the ones I have here are simply as a guide. If you can
make any
sense
of them could you E-mail them to me or something.
