

foo fighters - Disenchanted Lullaby

PROPS GO TO: Alistair

DISENCHANTED LULLABY-Foo Fighters This song follows a very basic pattern, basically just the chord progression B7 to E to D for the entire song.

INTRO- this riff continues throughout, with the bass playing the progression B to E to D underneath it.

```

e-----
-----2-----2----- b-----
-----g-----
2--4-----4--2-----2--4-----4-----2-- D-----
-----A--0---2-----
-----0--2----- E-----

```

CHORUS-

```

listen to the cd for rythms e-----7-----7----- b-----
-----10-----10----- g-----8-----8----- D-----
-----7-----7----- x3 then A-----9-----9-----
--- E---5-5-6-7-----7----- e-----7-----5-----
----- b-----9-----7----- g-----9-----
---7----- D-----9-----7-----
- A-----7-----5----- E--5-5-6-----

```

BRIDGE- the bridge is just the chords B major and E major repeated over and over again thats about it, pretty basic song really cheers, alistair iwontforgetthisone[at]hotmail.com
