Artist: Foo Fighters

Song: Enough Space

Album: unreleased as of now

TABbed by: Dave McBrayer

This song is simple once it hits the main riff. I'm not postive about

the solo I have tabbed. But hey, its pretty close. Thanks. Word is that

Foo plans to have this on the new CD.

STANDARD TUNING

Beginning: (this chord is hit a few times)

e--3 Then this:---3--3--3//5 and that is done a few more times...

```

b--3          ----3--3--3//5
g--x          ----x--x--x//0
d--5          ----5--5--5//7
a--x          ----x--x--0//0
e----        -----//--

```

And Then, get real powerful with this kicking main riff:

```

e-----
b-----
g-----5//6--x-----

```

d-5----5//6--x---6//7-7------(xabout 6 or 8 times)-
a-5----3//4--x---6//7-7-----
e-3-----x--4//5-5-----

that riff is repeated during the chorus.

Towards the chorus- the beginning riff is played:

Lyrics:

I was waiting for something, maybe flying machines.
Thats when I found Lily, the best I'd ever seen.
Only tried to Steal it, tryin to make it my own.
People line up to see, but there NEVER SEEMS TO BE ENOUGH SPACE!
(x2)

HOPE YOU ENJOY THE TAB! cant wait for the new album! will be out soon.
