Subject: TAB: Foo Fighters - Everlong

Here is the TAB for the song, Everlong by Foo Fighters. It is complete
within the guidelines (I hope). It's easy to understand and it has lyrics.

This is my first time tabbing so bear with me. You should listen to the
actual song while playing, so you get the little things right. I not sure
about any of this stuff except that it sounds like the song. If you have
any corrections, PLEASE e-mail me. I want to learn to play this song right
too. The tuning should be normal.

Intro Clean (I'm not sure about this)
