

**foo fighters - Home**

G Am  
Wish I were with you  
F G  
I couldn't stay  
G Am  
Every direction  
F G  
Leads me away  
G Am  
Pray for tomorrow  
F G  
But for today  
F Em C  
All I want is to be home

G Am  
Stand in the mirror  
F G  
You look the same  
G Am  
Just lookin' for shelter  
F G  
From cold and the pain  
G Am  
Someone to cover  
F G  
Safe from the rain

F Em G  
All I want is to be home

G Am  
Echoes and silence  
F G  
Patience and grace  
G Am  
All of these moments  
F G  
I'll never replace  
G Am  
No fear of my heart  
F G  
Absence of faith

F Em G  
All I want is to be home  
Ooh

F Em G  
All I want is to be home

G Am  
People I've loved  
F G

---

I have no regrets

G Am

Some I remember

F G

Some I forget

G Am

Some of them living

F G

Some of them dead

F Em G

All I want is to be home
