

foo fighters - Home

G C
Wish I were with you
Am G
I couldn't stay
G C
Every direction
Am G
Leads me away
G Am
Pray for tomorrow
C G
But for today
Am Em C
All I want is to be home

G C
Stand in the mirror
Am G
You look the same
G C
Just lookin' for shelter
Am G
From cold and the pain
G C
Someone to cover
Am G
Safe from the rain

Am Em C
All I want is to be home

G C
Echoes and silence
Am G
Patience and grace
G C
All of these moments
Am G
I'll never replace
G C
No fear of my heart
Am G
Absence of faith

Am Em C
All I want is to be home
Ooh

Am Em C
All I want is to be home

G C
People I've loved
Am G

I have no regrets

G C

Some I remember

Am G

Some I forget

G C

Some of them living

Am G

Some of them dead

Am Em C

All I want is to be home
