TAB by Jeff Aldrich (ArglBargle[at]aol.com)

This song is another fine example of how damned good this album is.

I
 wrote
 down all the parts, I think you can figure out where everything
 goes. If

The other version of this song is fine except for one thing. You may notice on the video that Dave's hand isn't moving that much. If you tune your guitar up one half-step or use a capo on the first fret, the song is way easier to play.

Note: The song "Butterflies" is also in this tuning.
