

foo fighters - Low

PROPS GO TO: alistair

Low- Foo Fighters one of the rockiest songs on the album.... sounds a bit like queens i reckon, but i guess thats what happens when your main songwriter goes and plays in queens for a while oh and its in drop D too anyway VERSE- this is actually two guitars on the album, but its not that hard to play both at once e-----

this twice then back to the chorus well i think thats pretty much
the whole song, its got a few variations on the patterns above but
im sure you can figure it
out cheers alistair iwontforgetthisone[at]hotmail.com
