G D C
I'm in the sky tonight
G D C
There I can keep by your side
G D D
Watching the wide world riot
Am
I'm hiding out
C D G
I'll be coming home next year

Into the sun we climb
Climbing our wings will burn white
Everyone strapped in tight
We'll ride it out
I'll be coming home next year

Em G
Come on get on get on
Em G
Take it till life runs out
C
No one can find us now,
C# D
Living with our heads underground

I'm in the sky tonight
There I can keep by your side
Watching the wide world wind around and around
I'll be coming home next year

"play the come on get on part again"

C D G
I'll be coming home next year
I'll be coming home next year
Everything's alright up here

Am
If I come down

G D G
I'll be coming home next year

Am
Say good-bye
