FOO FIGHTERS

Tabbed by Jeff Aldrich (ArglBargle[at]aol.com)

Hello again.

This song is one of the less complex songs on the album, with only two

main parts, but the 2 guitars can get a little tricky. One clean-sounding guitar starts the intro with it's part, then the 2nd guitar starts playing over it, giving it a harmonizing effect (which for some

reason seems to remind me of Soundgarden.)

It's all pretty simple. If anything is wrong, please tell me.

Also,

please wrote to me about the TAB in general, or just tell me what a great guy I am for posting these TABs! :)
