Verse 1
 Used to be so easy to give my heart away. But I found out the hard way, there's a price you have to pay.

V2
 I found out that love, is no friend of mine. But I should've known time after time.

Chorus:
 So long it was so long ago, but I still got the blues for you.

V3
 Used to be so easy to fall in love again. But I found out the hard way, it's a road that leads to pain.

V4

But I found that love was more than just a game, You're playin' to
win but you
lose just the same.

repeat chorus.

Bridge:

So many years since I've seen your face, but hear in my heart
there's an empty
space where you used to be.

Repeat chorus.

ALternate chorus:

Though the days come and go, there is one thing I know, I still got
the blues
for you.

I'm a crosscut saw, baby drag me across your log!
