I'm surprised no one posted this song before -- this was the easiest tab I ever did. Anyway, you know the routine - tune to Eb, play barre chords

Intro:
 C C C F G 4X

Verse 1:

G F
 I sit in the state of a daydream
 G F
 With all of your words flying over my head
 G F
 Even more time gets wasted
 G F
 In a daze
 G F
 It should seem obvious to you
 G F
 Your screams and cries are never going to work
 G F
 And all of your time gets wasted
 G F
 In my daze

Chorus:

C G
 And I'm looking back now
 C G
 At where I have gone wrong
 C G C D
 And why I could not seem to get along

 C G
 My interests are longing
 C G
 To break through these chains
 C G
 These chains that control
 C D C C C F G 4x
 My future's aim

Verse 2:

I sit in the state of a daydream
 With all of your words flying over my head
 Even more time gets wasted
 In a daze
 Maybe I'm just too damn lazy
 Or maybe I was just brainwashed to think that way
 And all of your time gets wasted
 In my daze

Chorus 2x

Solo(verse riff)

Chorus

Outro:

C C G G

C C G G
