Song: All by myself (secret song, 4:08 into the last track)  
By: Green Day  
From (album): Dookie  
Words by: Billie Joe  
Played on: Acoustic  
TABed by: Boboly Pizza Man (boboly[at]nb.net) - The one and only :)

I wrote this because the other versions were wrong. They had the basics, but were lacking some small things... Call me a perfectionist if you will :) I love secret songs, don't you? Anyways...

Measure #1:

```
| 2---2---2---2--- |
| --3---3---3---3- |
| ----- |
| 0----- |
| ----- |
| ----- |
```

Measure #2:

```
| 3---3---3---3--- |
| --3---3---3---3- |
| 0----- |
| ----- |
| ----- |
| ----- |
```

Measure #3:

```
| 4---4---4---4--- |
| --5---5---5---5- |
| ----- |
| ----- |
| ----- |
| 0----- |
```

Measure #4:

```
| 5---5---5---5--- |
| --5---5---5---5- |
| ----- |
| ----- |
| 0----- |
| ----- |
```

Measure #5:

```
| 5---5---5 |
| --5---5-- |
| ----- |
```

---

```
|-----|
|0-----0|
|-----|
```

After playing the last part of this measure, quickly place your hand with the pick over all the strings so that the sound will only last for a fraction of a second.

Play the measures in this order:

Play #1 and #2 - 7 times  
Play #3 and #4 - 3 times  
Play #3 and #5 - 1 time  
Play #1 and #2 - 4 times  
Play #3 and #4 - 3 times  
Play #3 and #5 - 1 time

Understand? Really, it isn't that hard.

To play the parts where there are "0"s below numbers, I usually strum the open string with the pick and use another finger to pick the higher string. For example, take measure #5... I would pick the A string with my pick, while struming the high E string with my middle finger. Whatever worx for you :)

Oh, I almost forgot... Here are the lyrics:

Begin singing towards the 2nd time you play measure #2... Listen to the CD if you don't know what I mean.

I was alone... I was all by myself.  
No one was looking, I was thinkin' of you...  
Oh ya did I mention... I was all by myself? (at the end of this line, measure #3 kicks in for the first time)  
All by myself... All by myself... All by myself. (end of measure #5 and music stops until...)  
I went to your (music starts again) house, but no one was there...  
I went to your room... I was all by myself...  
You and me had such wonderful times... When I'm all by myself...  
All by myself... All by myself.

Little confusing, I know... The extra notes will probably screw a couple ppl up, but you see what I mean :)

Boboly Pizza Man out!

P.S. If you have the whole "solo" of Bombtrack by Rage Against the Machine, I would love to have it!
