"Bab's Uvula Who?"

Intro:

B A C

Verse:

D D D A C

D D D A C

D D D

I've got a knack for fucking everything up.

A C

My temper flies and I get myself all wound up.

D D D

My fuse is short and my blood pressure is high.

A C

I lose control and I get myself all wound up.

D D D

Tension mounts and I fly off the wall.

A C

I self-destruct and I get myself all wound up.

D D D

Petulance and irritation sets in.

A C

I throw a tantrum and I get all wound up.

Chorus:

D A B

My temper flies and I get myself all wound up.

D A B

I lose control and I get myself all wound up.

D A B

I self-destruct and I get myself all wound up.

D A B

I throw a tantrum and I get all wound up.

Verse:

D D D

Chip on my shoulder and a leech on my back.

A C

Stuck in a rut and I get myself all wound up.

D D D

Killed my composure and it will never come back.

A C

Loss of control and I get myself all wound up.

D D D

Blown out of proportion again.

A C

My temper snaps and I get all wound up.

D D D

Spontaneous combustion, panic attack.

A C
I slipped a gear and I get myself all wound up.

guitar in normal tuning so that's what I'd recomend. I'm not too sure about the words in the chorus. (Or even the chords in the chorus.) They weren't included with the CD, so this is as good as I could do. If anyone has a better guess let me know. Tell me what you think of this as it is my first tab.
