

incubus - Black Heart Inertia

Chords: A, Asus2, C, F, G

Intro: (only A & E strings)

```
A|--3----0-----3-----0--   repeat x3
E|1---1h3--3-1-1---1h3--3
```

Song:

A Asus2 C
Walking alone tonight

A Asus2 C
'Cause I've only got room for two

A Asus2 C
Me and my burdened black heart

A Asus2 C
It's all we know how to do

A Asus2 C
Yet I look for a bigger bang

A Asus2 C
Than the kind I continually see

A Asus2 C
Sick of all this inertia

A Asus2 Am
Won't you mend me?

(Play intro)
Lover, can you help me?
I'm a child lost in the woods
A black heart pollutes me
And I think

A Asus2 C
You're a mountain

A Asus2 C F
that I'd like to climb

A Asus2 C
Not to conquer

A Asus2 C F G
but to share in the view

(repeat pattern)

Pulled by a false inertia
Pushed out by circumstance
Pistol firing at my feet
That's coercing me to dance

Yet I look for a bigger bang
Than the kind I'm sorry to know.
Here I am, first foot of the climb
Watch me go.

Lover, can you help me?
I'm a child lost in the woods
A lit path eludes me
And I think

You're a mountain that I'd like to climb
Not to conquer, but to share in the view
You're a bonfire and I'm gathered 'round you
Set this old black heart inertia aflame

Send it away (repeat)

You're a mountain
That I'd like to climb
Not to conquer, but to share in the view
You're a bonfire
And I'm gathered 'round you
Set this old black heart inertia aflame

Set it aflame, send it away
