Tired of in-just-ice,
 tired of the schemes, kind-a dis-gust-ed,
 mean? Kick-ing me down, I got to get up,
 as jacked as it sounds, the whole sys-tem sucks.
 Peek in the sha-dow,
 come in-to the light,
 tell me I'm wrong, then you bet-ter prove you're right.
 You're sell-ing out souls but
 I care a-bout mine, I've got to get strong-er,
 and I won't give up the fight.
 With such con-fu-sion, don't it make you wan-na scream.
 Your bash a-busin' vic-tim-ize with-in the scheme.
 You try to cope with ev-ery lie they scru-tin-ize. Some-bod-
 'cause I just can't take it.
 Stop pres-sur-in' me, just stop pres-sur-in' me.
 Stop pres-sur-in' me, just stop pres-sur-in' me.
 Stop pres-sur-in' me, make you just wan-na scream.
 Tired of you tell-in' the stor-y your way.
 Am7/D It's caus-in' con-fus-ion, you think it's o-kay.
 Keep chang-in' the rules, while you're play-in' the game.
 Am7/D I can't take it much long-er, I think I might go in-sane.
 With such con-fus-ion, don't it make you wan-na scream.
 Your bash a-bus-in' vic-tim-ize with-in the scheme.
 You find your plea-sure scan-dal-iz-in' ev-ery lie. Oh fa-
 mer-cy 'cause I just can't take it.
 Stop pres-sur-in' me, just stop pres-sur-in' me.
 Stop pres-sur-in' me, make me want to scream.
 Stop pres-sur-in' me, just stop pres-sur-in' me.
 Stop f[at]#!-*%\$ with me, make me wan-na scream. Oh, my God, can't be-lieve what I saw as I turned on the T. V. this eve-ning.
 I was dis-gust-ed by all the in-just-ice. (All the injustice.)
