

## james taylor - Another Day

Capo on 2nd

Chords shown relative to Capo

Bm7      A/F#  
 Verse: Wake up suzy  
       G      A/F#  
 Put your shoes on  
       Em            Gb7            Bm7            A/F#  
 Walk with me into this light  
       Bm7      A/F#  
 Finally this morning  
       G      A/F#  
 I'm feeling whole again  
       Em            Gb7            Bm7            A/F#  
 It was a hell of a night

      G  
 Bridge: Just to be with you by my side  
           Bm  
           Just to have you near in my sight  
           G  
           Just to walk a while in this light  
           Bm7                    Em            G    A  
           Just to know that life goes on

Bm7      A/F#  
 Verse: Wake up suzy  
       G      A/F#  
 Put your shoes on  
       Em            Gb7            Bm7            A/F#  
 Walk with me into this light

 Another night has gone  
       A            G  
 Life goes on  
       A/F#      Em            A  
 Another dawn is breaking

D            D/C#          Bm7  
 Turn and face the sun  
       A            G  
 One by one  
       A/F#      Em            A  
 The world outside is waking

D            E            A/F#      C#m  
 Morning light has driven away  
               Bm            E            A  
 All the shadows that hide your way  
       D            E            A/F#      C#m

---

And night has given away  
Bm E A  
To the promise of another day

D D/C#  
Another day  
Bm7 A  
Another chance that we may  
G A/F# E A  
Finally find our way

D D/C#  
Another day  
Bm7 A  
The sun has begun  
G A/F# E A  
To melt all our fears away  
C#Major  
Another day  
Em Em/f# G D  
Another day

Bm7 A/F#  
Wake up suzy  
G A/F#  
Put your shoes on  
Em Gb7 Bm7  
Walk with me into this light
