 It wouldn't be the same
 AM7 F#m
 Some things are not spoken of

 And though the words come hard to me
 Bm7 F
 I'll say them just for you
 AM7 F#m
 For this is something rare for me

 This feeling is so new

 You see I love the way you love me
 AM7 Bm7 E
 Love the way you smile at me
 AM7 Bm7 E AM7-Bm7-E

Verse: (do verse chords)

Long ago I hear the song that lover sing to me
 Through the day with each new phrase I hummed that melody
 And all along I love the song
 But I never learn it through ah
 But since the day you came along I've saved it just for you

(Repeat chorus)

Verse: (do verse chords)

Now you see me
Now you don't
Watch me dive below
Deep down in your love lake
Were sweet fish come and go
I might sink and I might drown
But death don't mean a thing
Coz life continue right or wrong
