Daddy's baby, what's got you think- ing

F#m7 C#m7 D/G Csus2

What's got you sinking so low?

C#m7 F#7sus4 F#7

Is there something I should know,

Bm7 E9

something new to you?

Amaj7 E7sus4 Amaj7 E7sus4 Amaj7

Daddy's baby, fussing and fret- ting,

F#m7 C#m7 D/G Csus2

keeping on getting it wrong.

C#m7 F#7sus4 F#7

She can only last so long

Bm7 E9

She's going for a song,

Amaj7 Em7 A7 Dmaj7 C#m7

so sing her a lull-a- by- bye

Bm7 F#7sus4 F#7 Bm7 E9

Baby don't like to cry

Amaj7 Em7 A7 Dmaj7 C#m7

So sing her a lullaby-bye

Bm7 F#7sus4 F#7

Swaddle and swing her

Bm7 E9 Amaj7

Sing her a lulla-by

Gmaj7 D/E E/A

She makes her feelings known to me

Gmaj7 D/E E/A

Her every side is shown to me

F#m7 C#m7

And in our time alone

Bm7 Gmaj7 G#m7-5 C#7 F#maj7

my love has surely grown of its own

F#m7 B7sus4 E B/E

solid as a stepping stone

Em9 A7 Dmaj7 C#m7 F#7sus4 F#7

as silently as the dawn was breaking, soft and clear

Bm7 E9 F#7sus4 F#7

and my tears were dry and my fears had flown

Bm7 E9 F#

so I called my love my home.
