Song For You Far Away
(James Taylor) 1985

People around me are at it again [D Bm D Bm]
God only knows how they do it [D Bm D Bm]
One to another then back again [D Bm D Bm]
Something keeps putting them through it [D Bm Em7 A7]
Me, I've been watching more than fifteen years [D Bm D Bm]
and it hasn't changed a bit [D Bm D Bm]
People keep talking 'bout a different line [D Bm D Bm]
but it never seems to fit [D Bm Em7 A7]

This is a song for you, far away, far away [D Bm F#m Bm Em7 C A]
This is a song for you, far away from me [D Bm F#m Bm Em7 A D G]
This is a song for you, far away, so far away [D Bm F#m Bm Em7 C A]
This is a song for you far away from me [D Bm F#m Bm Em7 A A/D D]

Sitting here all alone [G G/F# Em]
is bringing it on again, I'm gone again [A/D D A/D D]
Sitting here thinking of you [G G/F# Em]
is driving it home again, yeah [F#m G A4 A]
This is a song for you far away, so far away [D Bm F#m Bm Em7 C A]
This is a song for you, far away from me [D Bm F#m Bm Em7 A D]

Open the door it takes me back [G E7 A D]
Oh it takes me back [Bm G Em A]
Mention your name and I'm gone again [Bm E7 A F#m]
Oh, I'm gone again [G Em A4 A]

This is a song for you, far away from me [D Bm F#m Bm Em7 A D Bm]
When you're far away, talkin' 'bout far away [Em7 A D Bm]
far away from me [Em7 A D Bm F#m Bm Em A D]
