This is my first posting. I hope it helps others out there who have been looking

for the chords to this song. I'm doing it from the song I remember in my head. I believe it's pretty close. The funky stuff at the end I am working on and will post when I figure it all out. Let me know if any changes are needed

G Em Am D
Slipping away what can I say

G Em C Cmaj7 Am
Won't you stay inside me month of May

G Em Am A5 D G
And hold on to me golden day, slippin' away

C/Cmaj Am A5 D
Sunshine on my wall

G Em Am D/G
to keep my mind on the things I'm saying

C/Cmaj Am A5 D G Em C Am
Footsteps in the hall to tell me I've been this way before
D
nevermore

{Second Verse}

G Em Am D
Let it rain sweet Mary-Jane

G Em C Am
Let it wash your love down all around me

G Em C D G
Come inside and put it down. Let it rain

G F C D G
I've been trying hard to find a way to let you know

G C F C F C G C/G
That we can make it shine most all the time

G F C D G

This time 'round I'm searching down to where I used to go

G C F C F C G C/G
And it's been on my mind to make it shine

C Bb F G
You can say I want to be free

Bb F G
I can say some day I will be

{Get Funky. R&B type strum. Think James Brown}

G7
When I catch a common cold

I want to hear a saxophone
When I let the good times roll
Slide me a bass trombone

G7 Bb
Walk me down old funky street

C Eb
Lord knows I feel good enough to eat

G7 A Bb C7
Hold my soul. I sure am fond of my rock and roll

When I go to sleep at night

I want to hear a slide guitar
When I'm feeling loose and right
Riding in my automobile
Boney Maroney and Peggy Sue
Rocking pneumonia and boogey-woogey flu
Hold my soul. I'm sure enough fond of my rock and roll
Good God

"When the fox is chasing your sleigh;
toss him a raisin cookie...but don't stop to bake a cake."

(From the tv series "Banechek" starring James Prepard)
