PASSIONATE KISSES (Lucinda Williams)

 * Lucinda Williams' recording of this song is in E, so you'd have to put a capo at the fourth fret to match the recording if you use these chords.

* In the instrumental bits, I put bar lines (|) to separate measures;

everywhere else in the song, one chord is one measure.

* The rhythm guitar doesn't actually play all those chords in the intro,

but it sounds neat.

* Mix up some (9)'s with the C's and F's.

```
C          G
  Is it too much to ask?
          Am7                      F
I want a comfortable bed that won't hurt my back
C          G
  Food to fill me up
          Am7                      F
And warm clothes and all that stuff

C          Em7
  Shouldn't I have this,
          Am7
Shouldn't I have this?
          F
Shouldn't I have all of this, and

C          F
  Passionate kisses
C          F
```

Passionate kisses, whoa ohh oh
C F
Passionate kisses from
C C(addF) C | G G(addE) G | Am Am(9) Am | F |
you [instrumental]

Is it much to demand
I want a full house and a rock and roll band
Pens that won't run out of ink
And cool quiet and time to think

Shouldn't I have this,
Shouldn't I have this?
Shouldn't I have all of this, and
Passionate kisses
Passionate kisses, whoa ohh oh
Passionate kisses from
you [instrumental twice]

Do I want too much?
Am I going overboard to want that touch?
I shouted out to the night:
"Give me what I deserve, 'cause it's my right"

Shouldn't I have this,
Shouldn't I have this?
Shouldn't I have all of this, and
Passionate kisses
Passionate kisses, whoa ohh oh
Passionate kisses from you

Passionate kisses
Passionate kisses, whoa ohh oh
Passionate kisses from
you [instrumental twice; end on C.]
