Song: Long Hard Road Out of Hell
 By: Marilyn Manson (& the Sneaker Pimps)
 This is track 2 off 'Spawn: The Album'
 Tabbed by: The FUZZ

Here is my interpretation of 'Long Hard Road Out of Hell.' This is a fun (and easy) song by Marilyn Manson. If you want to email me about this tab or just want to talk about music in general, send me some mail at LandOfFuzz[at]aol.com

When Marilyn starts speaking, here's the bass line for that part, which is the bass line for the bulk of the song. (repeat this over and over)

"I wanna fly into your sun....etc, etc"

This acoustic guitar part corresponds with these lines at the beginning of the song:

"Oh Mary, Mary
 To be this young it's oh so scary
 Mary, Mary
 To be this young I'm oh so scared
 I wanna live, I wanna love
 but it's a long hard road out of hell
 I wanna live, I wanna love
 but it's a long hard road out of hell"

Here's the electric part (same as acoustic) which is a little hard to hear among all the cool keyboards and drums in the chorus:

"You never said forever
 You'll never hurt like this
 You never said forever
 You'll never hurt like this"

Note: the acoustic and electric guitar parts are repeated at other times during the song, what I listed above is just when these parts are heard for the first time during the song.

Here's the way I interpreted the lyrics. It may not be perfect, but you can't say I didn't try =)

I wanna fly into your sun
I need fear to make me numb
Live like a teenage Christ
I'm a saint, got date with suicide
Oh Mary, Mary
To be this young it's oh so scary
Mary, Mary
To be this young I'm oh so scared
I wanna live, I wanna love
but it's a long hard road out of hell
I wanna live, I wanna love
but it's a long hard road out of hell
You never said forever
You'll never hurt like this
You never said forever
You'll never hurt like this
do do do do do do do do do do do do do do do do
Spread my way out of hell
There's nothing left, (not) a soul to sell
I live fast, I die fast too
How many times I do this for you...
How many times I do this for you...
Mary, Mary
To be this young I'm oh so scared
I wanna live, I wanna love
but it's a long hard road out of hell
I wanna live, I wanna love
but it's a long hard road out of hell
You never said forever
You'll never hurt like this
You never said forever
You'll never hurt like this
do do do do do do do do do do do do do do do do
I wanna live, I wanna love
but it's a long hard road out of hell
I wanna live, I wanna love
but it's a long hard road OUT OF HELL
LONG HARD ROAD OUT OF HELL
I wanna live, I wanna love
but it's a long hard road out of hell
I'll sell my soul for anything

Anything, but you
Sell my soul for anything
Anything, but you
