Ok, here are the chords for the song. In the first part of the song there is no guitar to speak of but I found I could play along with the cd and it sounded pretty close. Use lots of distortion but just strum the strings lightly thru the verses and heavier in the chorus.

I will just post the chords I used and I suggest you listen to the cd for the timing and stuff. Its pretty easy...

Chords used - Just use standard tuning.

	G5	Bb5	C5	A5	B5	E5	G	Bb	C	A
e-----							3----	1----	3----	5----
B-----							3----	3----	5----	5----
G-----	3----	5----				9----	4----	3----	5----	6----
D----5----	3----	5----	7----	9----	9----	5----	3----	5----	7----	
A----5----	1----	3----	7----	7----	7----	5----	1----	3----	7----	
E----3----	1----	3----	5----	7----	7----	3----	1----	3----	5----	

Verse 1.

G5
 the ants are in the sugar
 Bb5 C5
 the muscles atrophied
 A5
 we're on the other side,
 G5
 the screen is us and we're t.v.
 Bb5
 spread me open,
 C5
 sticking to my pointy ribs
 A5
 are all your infants in abortion cribs
 G5 Bb5
