D# Gm  
She's made of hair and bone and little teeth,  
A# Gm  
Things I cannot speak  
D# Gm  
She comes on like a crippled plaything,  
A# Gm  
Spine is just a string

D# Gm  
I wrapped our love in all this foil,  
A# Gm  
Silver-tight like spider legs  
D# Gm  
I never wanted it to ever spoil,  
A# Gm  
But flies will lay their eggs

Chorus:

D# Gm  
Take your hatred out on me,  
A# Gm  
Make your victim my head  
D# Gm  
You never ever believed in me,  
A# Gm  
I am your tourniquet

Prosthetic synthesis with butterfly,  
Sealed up with virgin stitch  
If it hurts baby please tell me,  
Preserve the innocence

I never wanted it to end like this,  
But flies will lay their eggs

Chorus

(here you can follow the same pattern or just play Gm repeatedly)  
What I wanted,  
What I needed,  
What I got for me...x2

Chorus
