

metallica - Bleeding Me

: Someone <cevasp[at]ix.netcom.com>
 Subject: TAB: Bleeding Me by Metallica

I took the intro from OLGA João Paulo H. Ribeiro
 <lmiranda[at]inetminas.estaminas.com.br> and modified it.
 The rest I did.

Symobls

/ or = slide
 p = pull off
 h = hammer
 X = mute strings

and the "o" on the Gb and Db strings on some of the riffs means to repeat, they are not notes. So the riffs that start and end with the double "o" are repeated (sometimes more than once).

This is my first attempt at putting timing in...so dont flame too much
