I guess my first posting of this didn't work, but here it is.
 I hop it worked this time.

By popular demand, some bits and pieces of CALL OF THE KTULU.
 Most of it was written by Dave Mustaine, by the way.

About the tab, the vertical lines don't represent bar lines, but
 little
 "sections", I guess that's as good as I can explain it.

Intro....play each part twice....

```

---5-----5---|---6-----6---|---8-----8---|---5-----
5---
-----6-----6-|-----6-----6-|-----8-----8-|-----6-----
--6-
-----7-----7---|-----7-----7---|-----9-----9---|-----7-----7-
----
-0-----7-----|-0-----7-----|-0-----10-----|-0-----7---
----
-----|-----|-----|-----
----
-----|-----|-----|-----
----

```

The next part....play it a few times....

```

-----0-----|-----0-----
-----0---0---|-----0---0---
-----5-----5---|-----5-----5---
---7-----7-|---7-----7-
-0-----7-|-6-----
-----|-----

```

The next part....Dave Mustaine used this again in the intro to
 Hangar 18

```
-----1- | -----1- | -----1- | -----5-  
-----3- | -----3- | -----3- | -----3-  
---2----- | ---3----- | ---4----- | ---5-----  
-0----- | -0----- | -0----- | -0-----  
-----  
-----
```

That's about all I can handle doing, typing in this tab is hell!
