Sure. I believe the lyrics are listed in the cd booklet thing. But maybe not. Anyway, here goes.

"Nothing Else Matters"
Metallica

So close, no matter how far
Couldn't be much more from the heart
Forever trust in who we are
And (No) nothing else matters
^
last time

(I) Never opened myself this way
Life is ours we live it our way
All these words I don't just say
And nothing else matters

Trust I seek, and I find in you
Every day for us something new
Open mind for a different view
And nothing else matters.

Never cared for what they do
Never cared for what they know
But I know

Repeat verse 1

Never cared for what they do
Never cared for what they know
But I know

Repeat verse 2 and 3

Never cared for what they say
Never cared for games they play
Never cared for what they do
Never cared for what they know
And I know...Yeah!

(solo)

Repeat verse 1

There you go. Hope it helps.
