C# - F#M7 - D#m9 - A#m G#

C# F#M7 D#m9  
I'm not surprised, not everything lasts  
A#m G#  
I've broken my heart so many times  
C#  
I stop keeping track  
F#M7 D#m9  
Talk myself In, I talk myself out  
G# A#/D D#m7  
I get all worked up, then I let myself down  
C#/F D#m7  
I tried so very hard not to loose it  
C#/F D#m7  
I came up with a million excuses  
C#/F F# G#  
I thought I thought of every possibility

(Chorus)

F#M9 G# C#  
And I know someday that it'll all turn out  
F#M9 G# A#m  
You'll make me work so we can work to work it out  
F# F7/A A#m C#7/F F#  
And I promise you kid that I'll give so much more than I get  
G# C#  
I just haven't met you yet

(Verse 3)

I might have yo wait, I'll never give up  
I guess it's half timing, and the other half's luck  
Wherever you are, whenever it's right  
You come out of nowhere and into my life

And I know that we can be so amazing  
And baby your love is gonna change me  
And now I can see every possibility

(Ref)

And I know someday that it'll all turn out  
You'll make me work so we can work to work it out  
And I promise you kid that I'll give so much more than I get  
A#m  
I just haven't met you yet

F/A C#/G# D#7/G D#m7  
They say all's fair, and in love and war  
C#/F  
But I won't need to fight it  
F# G#

We'll get it right, and we'll be united
