A           C# F#     B   A           C#           F#           B
One baby to another said I'm happy to've met you...

```

```

A           C#   F#           B           A           C#           F#
I don't care what you think unless it is about me

```

(more lyrics that I've forgotten and can no longer decipher)

Chorus:

```

E   D           B           D           B
    Too good for you.  Pass it  back and forth...
                          Here's my passionate kiss...
                          From my  mouth to yours,

```

```

A G     F#
I like you...

```

The rest is pretty much the same

Hit each cord real hard here

By Kurt Cobain

Here we go again, I hope someone is really reading this ocause if not I may feel kind of stupid writting this to no one, I hope there is still people that hear Nirvana and that play guitar, if possible. Well letos start with the song titled "Drain You" that is wonderful, the music the lyrics, etc.

Tune down your guitar one whole step
