Subject: Here She Comes Now-nirvana

I have attached the song "Here She Comes Now" in tab form below. It was
writtne by a band called the Velvet Underground but Nirvna often played it.
 It is tabbed to the way Nirvana played it so therefore I think it should go
under the Nirvana file.

```
-------------------------------------------------------
Here She Comes Now
By:The Velvet Underground
Tabbed to Kurt Cobain's version of the song.
Transcribed by Steve22067[at]aol.com
Version on the Nirvana Heart Shaped Box II Set.
