[at]SONG: SERVE THE SERVANTS

Teenage angst has paid off well
Now I'm bored and old
Self-Appointed judges judge
More than they have sold

If she floats than she is not
A witch like we had thought
A down payment on another
One at salem's lot

Serve the servants - Oh no
That legendary divorce is such a bore

As my bones grew they did hurt
They hurt really bad
I tried hard to have a father
But instead I had a dad

I just want you to know that I
Don't hate you anymore
there is nothing I could say
that I haven't thought before

Serve the servants - oh no

That legendary divorce is such a bore

[at]SONG: SCENTLESS APPRENTICE

Like most babies smell like butter
his smell smelled like no other
he was born scentless and senseless
he was born a scentless apprentice

Go away - get away, get away, get a-way
every wet nurse refused to feed him
electrolytes smell like semen

I promise not to sell your perfumed secrets
there are countless formulas for pressing flowers

I lie in the soll and fertilize mushrooms
Leaking out gas fumes are made into perfume

You can't fire me because I quit
Throw me in the fire and I won't throw a fit

[at]SONG: Heart-Shaped Box

She eyes me like a pisces when I am weak
I've been locked inside your Heart-Shaped box for a week
I was drawn into your magnet tar pit trap
I wish I could eat your cancer when you turn back

Hey
Wait
I've got a new complaint
Forever in debt to your priceless advice
Hate
Haight
I've got a new complaint
Forever in debt to your prieless advice
Hey
Wait
I've got a new complaint
Forever in debt to your priceless advice

Meat-eating orchids forgive no one just yet
Cut myself angel's hair and baby's breath
Broken hymen of your highness I'm left black
Throw down your umbilical noose so I can climb right back

[at]SONG: RAPE ME

[Original form:]

-----+
Rape me, my friend
Rape me again

I'm not the only one
Do it and do it Again

Waste me

Taste me, my friend
My favorite inside source
I'll kiss your open sores
Appreciate your concern
You'll always stink and burn

-----+
[My Form:]

Rape me
Rape me my friend,
Rape me,
Rape me again.

Chorus:

I'm not the only one [x4]

Help me,
Do it, and do it again.

Waste me,
Rape me, my friend.

Chorus

My favorite inside source,
I'll kiss your open sores,
Appreciate your concern
You'll always, stink, and born.

Chorus

Rape me
Rape me
...

[at]SONG: FRANCES FARMER WILL HAVE HER REVENGE ON SEATTLE

It's so relieving to know that you're leaving as soon as you get paid
It's so relaxing to hear you're asking wherever you get your way
It's so soothing to know that you'll sue me, this is starting to sound the same
I miss the comfort in being sad

In her false witness, we hope you're still with us, to see if they
gloat or
drown
Our favorite patient, A display of patience, disease-covered Puget Sound
She'll come back as fire, to burn all the liars, and leave a
blanket of ash
on the ground I miss the comfort in being sad

[at]SONG: DUMB

I'm not like them
But I can pretend
The sun is gone
But I have a light
The day is done
But I'm having fun

I think I'm dumb
or maybe just happy
Think I'm just happy
my heart is broke
But I have some glue
help me inhale
And mend it with you
We'll float around]
And hang out on clouds
Then we'll come down
And I have a hangover...Have a hangover

Skin the sun
Falkl asleep
Wish away
The soul is cheap
Lesson learned
Wish me luck
Soothe the burn
Wake me up

I'm not like them
But I can pretend
The sun is gone
But I have a light
The day is done
But I'm having fun

[at]SONG: VERY APE

I am buried up to my neck in
Contradictionary lies
I take pride as the kind of illiterature
I'm very ape and very nice

If you ever need anything please don't hesitate
to ask someone else first
I'm too busy acting like I'm not naive.
I've seen it all I was here first

Out of the ground
Into the sky
Out of the sky
Into he firt

[at]SONG: MILK IT

I am my own parasite
I don't need a host to live
We feed off of each other

We can share our endorphins
Doll steak, test meat

I won my own pet virus
I get to pet and name her
Her milk is my shit
My shit is her milk

Doll steak, test meat
Look on the bright side is suicide
Lost eyesight I'm on your side
Angel left wing, right wing, broken wing
Lack of iron and/or sleeping
Protector of the kennel
Ecto-plasma
Ecto-Skeletal
Obituary birthday
Your scent is still here in my place of recovery

[at]SONG: PENNYROYAL TEA

I'm on my time with everyone
I have very bad posture
Sit and drink Pennyroyal Tea
Distill the life that's inside of me
Sit and drink Pennyroyal tea
I'm anemic royalty
Give me a Leonard Cohen afterworld
So I can sigh eternally
I'm so tired I can't sleep
I'm a liar and a thief

Sit and drink pennyroyal Tea
I'm anemic royalty
I'm on warm milk and laxatives
Cherry-flavored antacids

[at]SONG: RADIO FRIENDLY UNIT SHIFTER

Use just once and destroy
Invasion of our piracy
Afterbirth of a nation
Starve without your skeleton key

I love you for what I am not
I do not want what I have got
A blanket acne'ed with cigarette burns
Speak at once while taking turns
Second-rate third defree burns
What is wrong with me
What is what I need
What do I think I think
This had nothing to do with what you think
If you ever think at all
Bi-polar opposites attract
All of a sudden my water broke
hate, hate your enemies
Save, save your friends

Find, find your place
Speak, speak the truth

[at]SONG: TOURETTE'S

Cufk, Yish, Sips

[at]SONG: ALL APOLOGIES

What else should I be
All apologies
What else should I say
Everyone is gay
What else could I write
I don't have the right
What else should I be
All apologies

In the sun
In the sun I feed as one
In the sun
In the sun
I'm married
buried
I wish I was like you
Easily amused
Find my nest of salt
Everything is my fault
I'll take all the blame
Aqur scafoam shame
Sunburn with freezebun
Choking on the ashes of her enemy
All in all we all are

[at]SONG: GALLONS OF RUBBING ALCOHOL FLOW THROUGH THE STRIP
